FLIR Transaction Information Sheet (FLIRTIS)

Dear Customer,

Thank you for choosing to purchase a FLIR Systems, Inc. (FLIR) quality product. We are confident you will be satisfied for years to come.

As a requirement for our sale to you, we are obligated to collect certain specific information and/or documentation regarding the intended end user and end use of the product(s). This package is designed to assist you in providing this data to us. We ask that you complete it thoroughly, and to please contact your FLIR representative if you have any questions at all. Thank you.

INSTRUCTIONS

Transaction Information

Please provide all transaction information requested. This information is used to pursue and obtain relevant government authorizations as necessary. Any information that is omitted or unclear will delay the licensing process. Please use complete street addresses for locations and not P.O. Boxes. Please do not use abbreviations. If the end user will be using the camera(s) in more than one location, please provide addresses of all intended use locations.

End Use Certification

As a company incorporated in the United States, FLIR Systems, Inc. is obligated to ensure that our products are not to be used in any unsanctioned nuclear, chemical or biological end uses. By providing the information required for our pursuit of necessary government approvals, customer represents and affirms that the system(s) being purchased are not for use in a nuclear, chemical, biological end use applications.

Documentation

As requested by your FLIR representative, please complete the requested attached forms in this document package. Again, it is imperative that you answer the questions or complete the documentation as thoroughly as possible. These documents are used to pursue relevant government export authorizations as necessary for us to sell our products to you. Incomplete information packages or missing forms will delay the license process.

Fax the completed form, plus any attachments, to M. Wilkinson, FLIR, 805-690-5933.

*****Please provide information about all consignees involved in the transaction. Parties not named will not be authorized to have access to the product.**

*****If the company is small and/or not a widely known corporation or a government agency, please provide proof of bona fides (existence) of the business. Examples include business registration, membership to local Chamber of Commerce, etc. Attach these documents to the document package when you return it to your FLIR representative.**

*****Security plan—Due to the risk of diversion and theft of FLIR's products, the US Government often requests purchasers of our equipment to provide a security plan as to how the camera will be protected from theft. Example of such protections include locking the camera in a safe or other secure area, armed guards (if a hangar for an aircraft), perimeter security alarms on the building in which the camera is housed, weekly inventory of the camera disposition. We understand that you have made a considerable investment in your purchase of FLIR's products—please provide a brief statement regarding the security to be afforded to your FLIR camera.**

Fax the completed form, plus any attachments, to M. Wilkinson, FLIR, 805-690-5933.
