

# InfraMation 2012

Loews Royal Pacific Resort  
at Universal Orlando  
November 6 - 8

The Leading Infrared Camera Users & Applications Conference!

## 1<sup>st</sup> Annual InfraMation IR Photo Contest

### Official Rules

1. Must attend InfraMation 2012 to participate.
2. All types of infrared images will be considered. Stills captured from infrared video are eligible.
3. The deadline for submission is Friday, October 26, 2012.

### Contest Guidelines

Final judging of the images will take place at InfraMation and will be conducted by all InfraMation attendees. Images will be selected for final judging based on a combination of the following factors: entertainment value, image quality, composition and originality. IR image categories and their corresponding prizes are as follows:

- Best Save-the-Day Shot: Extech BR250 Borescope
- Most Unique: Extech EX530 Digital MultiMeter
- Best in Show: FLIR i7 Thermal Imager

Visit <http://inframation.org/photocontest/#guidelines> for more details on the IR image categories.
